

Dear Guests!

Welcome to the Napfényes Bistro!

We feel it's important to show people who wish to live a healthy life or who seek recovery as well as those who are interested in such matters the delicious and diverse dishes that can be prepared solely from grains and vegetables vital for the human body. Thus our dishes are made from purely vegetable elements. We take great care to make sure our base ingredients contain no traces of meat, eggs or dairy products.

We designed our menu in a way that pleases our vegan and vegetarian guests as well as providing dishes that suit guests living on mixed diets.

We hope you're pleased by our efforts.

Here's to your health!

Bon appetite! Compliments of the staff of the Napfényes Bistro
